Description:

About Lokal : In 2018, we began with a WhatsApp group with a simple hypothesis: people in tier-2/3 towns weren't really using the internet meaningfully yet. We believed that if we started with local content in their own language, they'd come back every day; once there was a habit and trust, that same space could naturally grow into classifieds and, eventually, something they used for almost everything online. This spark became Lokal. Our first instinct was to put everything in one place & one a...
