Description:

Building the Culture and Leadership Behind a New Kind of Mental Healthcare Platform Why This Role Exists Sukoon is building something rare - a mental healthcare system that is not only clinically strong, but deeply human, consistent, and scalable . As we grow from ~100 to 1000 beds, the single biggest risk is not capital or infrastructure. It's people. This role exists to ensure that as we scale: We don't dilute care We don't lose our culture And we build leaders faster than we build bed. What ...
