Description:

Websites are crucial for businesses-helping them get found and chosen online. Yet for many small businesses, websites become a burden. They launch with high hopes, spending countless hours on every little detail, aiming for perfection. But soon after launch no more updates. The website sits untouched, slowly becoming outdated, broken, and buried by search engines, eventually joining the ranks of the "living dead" websites in the vast online cemetery. To address this issue, CentralApp (soon rebr...
