Location: India

Remote/WFH: No

Salary: Not disclosed

URL: https://www.adzuna.in/details/5733037704?utm_medium=api&utm_source=b928a09d

Description:

A Fast Formula error does not produce a support ticket - it produces a wrong payroll run affecting hundreds of employees, an incorrect accrual balance, or a benefits eligibility failure. If you write formulas to a standard where that scenario does not happen, and you have the project scars that come from knowing exactly what produces that scenario, we want to hear from you. Description:

About Lokal In 2018, we began with a WhatsApp group with a simple hypothesis: people in tier-2/3 towns weren't really using the internet meaningfully yet. We believed that if we started with local content in their own language, they'd come back every day; once there was a habit and trust, that same space could naturally grow into classifieds and, eventually, something they used for almost everything online. This spark became Lokal. Our first instinct was to put everything in one place & one app ...
